

SAVE MONEY, SAVE TIME Stay Happy!

Take it easy with Happy Flush Stay Happy™ and leave it to us!

Stay Happy™ is a new, exclusive repeat ordering system from Happy Flush® “just before” Air Freshener.

Tell us what you would like to order on a regular basis, sit back and let us do the rest for you. All you need to do is pay the invoice! And you will receive special Stay Happy rewards as a thank you from us!

- **FREE POSTAGE ON ORDERS OVER £15 (worth up to £2.85)***
- **A 10% Discount to be used twice per year****
- **Access to Happy Flush News and Views to keep up to date with products, special offers, testing opportunities and feedback.**
- **Any special offer that is available on our website at the time of your invoicing will automatically be honoured and this offer will be shown on your invoice.**
- **Priority pre-ordering of our coveted Happy Flush Festive Sparkle in November 2018.**
- **Exceptional service from a British family business**

How does this work?

If you are already a regular Happy Flush customer (direct from our website only) simply let us know what sizes and fragrances you would like to order on a repeat basis and how often you would like to receive them.

We will email you a PayPal invoice on the 28th of the month. You pay the invoice as normal and we will despatch your order within 3 days of payment being received.

If you aren't a current Happy Flush customer please have a look at our website for more information about our products and prices (www.happyflush.com) and let us know what you would like to order, sizes and fragrances and we will email you the PayPal invoice on 28th month in the same way.

How often do I have to order from you? I don't need it every month?

You don't need to receive an order every month- as long as you place/receive 4 orders (minimum) within 12 months, you can Stay Happy and enjoy the benefits. There is no maximum amount of orders either!

What if I want to change a fragrance or size when I am with Stay Happy™?

No problem at all – send us an email to sales@happyflush.com with the details of your changes by the 20th of the month and we can amend your invoice before it is emailed to you.

Who are we?

Happy Flush® is a small British family business manufacturing and selling our products since 2013 where we started to sell at local handmade fairs. We are entirely self-funding which means every penny goes back into the business to continue to make quality products and to support our customers by raising awareness of a variety of health conditions which affect the bowel.

We are passionate about what we do and we made the 1st British portable air freshener at the request of our customers back in 2014. It has moved on a lot since then and last October we were proud to exhibit at the Pharmacy Show alongside all of the big household names and created quite a stir!

We work with several charities, including some smaller ones and have been running a campaign called Care To Be Aware for the last 12 months, to raise awareness of a variety of conditions (including lesser known such as Hirschsprungs Disease and Bile Acid Malabsorption) which affect the bowel and the use of disabled toilets with invisible health conditions. This has been with the help of our customers who have shared their stories, modelled for our photos and shared the posts that we have sponsored and we will continue to raise awareness.

We sell mainly from our website and offer a personal and exceptional service to all of our customers, making ourselves available to help you with your needs as soon as we can, frequently outside of usual business hours and days.

We hope that you find your Happy Flush® sample as useful as our customers do – currently just over 56% of sales are repeat business! If you would like to purchase some Happy Flush® but would like to wait and see before joining Stay Happy, please buy from our website as normal or via one of the Pharmacies who stock our products.

To register for Stay Happy simply send us an email and we will send you some questions to answer to make sure that we have all of the information we need to go ahead and welcome you to Stay Happy! Simply email sales@happyflush.com marking the subject line Stay Happy! We never share your information – we do not buy databases and we do not sell them!

We look forward to hearing from you!

With warmest wishes from the **Happy Flush team**.

Happy Flush®; take it with you when you go!
